

APPLICATION FORM: EU DIGITAL COVID CERTIFICATE

If you have received a (booster) vaccination under the Netherlands COVID-19 Vaccination Programme for Seafarers, you can apply for an EU Digital COVID Certificate (EU DCC) by completing and submitting this form, **including a passport copy and copies of all vaccination records of previous vaccinations against COVID-19.** Upon receipt of the EUDCC, you can scan its international QR-code and add it to the [Dutch CoronaCheck app](#).

In general, this optional certificate will be of most interest to EU citizens without a Dutch social security number (BSN). The certificate will only be issued only once and remains valid for one year after your vaccination date. You can only request the certificate until 3 months after your vaccination date.

I have received a vaccination against COVID-19 under this programme, now wish to receive a EU Digital COVID Certificate and declare that the personal data I have provided below is correct.

Date of birth: _____

First name(s): _____

Infix:
(van, van der, de) _____

Last name: _____

ID or Passport number
(as used for vaccination) _____

Ship name + IMO no.:
(at time of vaccination) _____

Vaccination date: _____

Vaccine dose: 1st dose 2nd dose 3rd dose

Vaccine brand: Johnson&Johnsson Comirnaty (BioNTech/Pfizer)

Personal e-mail address: _____
(to send certificate EU DCC to)

If, for any reason, your details in this form are unknown in the administration of the medical services provider that has administered the vaccine, you will not be able to receive the requested certificate.

Vaccination took place at a Dutch sea port, clinic or on board of the ship?

If your vaccination was carried out by ARBO UNIE / Port Health Centre in one of the Dutch sea ports, please send the completed form to ARBO UNIE / Port Health Centre at: eudcc@arbounie.nl.

Vaccination took place at AMS Schiphol Airport?

If your vaccination was carried out by KLM Health Services at Amsterdam Schiphol Airport, please send the completed form to KLM Health Services **before 30 April 2022** at: covid19vaccination.health@klm.com.
